COMMUNITY MUSEUMS (REPAIRS TO BUILDINGS)

Purpose

To provide financial assistance to organizations actively involved in the preservation, portrayal and promotion of heritage in the Northwest Territories, for repairs and upgrades to community museums and heritage facilities.

Financial assistance is available for assessments, repairs or capital improvements to, or planning studies for:

a) community museums
b) heritage facilities

Eligibility

Eligibility for this program is restricted to NWT-registered societies, local governments or not-for-profit corporations whose mandates include the on-going delivery of heritage programs.

Preference will be given to:

1. Requests from registered heritage centers for assistance with repairing or upgrading facilities that maintain and preserve established collections. Registered heritage centres are only those community-based heritage facilities that meet the criteria outlined in Section 6.11 of the Heritage Services Policy available from the Department of Education, Culture and Employment;
2. Requests from other community museums and heritage facilities once the priority needs of Registered Heritage Centres have been met; and
3. Projects that demonstrate funding from other sources and/or support-in-kind.

Amount

Subject to the availability of funding, a maximum amount of $50,000 per project is available under this program.

The Culture and Heritage Division will recommend to the appropriate authority the amount of the contribution, recognizing that the amount of funding is based on the demonstrated need of the organization and the number of organizations applying for funds as well as an approved budget allocation for the Department of Education, Culture and Employment.

MUSÉES COMMUNAUTAIRES (RÉNOVATION DES ÉDIFICES)

Objet

Offrir une aide financière aux organisations travaillant activement à la conservation, la représentation et la promotion du patrimoine des TNO, afin qu'elles puissent rénover des musées communautaires et des établissements voués au patrimoine.

Cette aide financière est offerte pour les évaluations, réparations, améliorations des immobilisations et études de planification visant :

(a) les musées communautaires;

(b) les établissements voués au patrimoine.

Admissibilité

Ce programme est réservé aux sociétés, administrations et OSBL enregistrées aux TNO dont le mandat vise entre autres la prestation continue de programmes relatifs au patrimoine.

La priorité sera accordée aux :

(a) demandes provenant de centres du patrimoine enregistrés souhaitant de l'aide pour la rénovation d'installations protégeant ou accueillant des collections établies (sont admissibles uniquement les centres du patrimoine répondant aux critères énoncés à l'article 6.11 de la politique sur les services du patrimoine du ministère de l'Éducation, de la Culture et de la Formation);

(b) demandes provenant d'autres musées communautaires et établissements voués au patrimoine, une fois que les besoins prioritaires des centres du patrimoine auront été satisfaits;

(c) projets manifestement appuyés par une autre source de financement ou profitant d'un appui non financier.

Montant

Sous réserve de la disponibilité du financement, un montant maximal de 50 000 $ sera octroyé pour chaque projet admissible.

La Division de la culture et du patrimoine recommandera à l'autorité appropriée le montant de la contribution, en tenant compte des besoins avérés du demandeur, du nombre total de demandeurs, ainsi que du budget alloué par le ministère de l'Éducation, de la Culture et de la Formation.

CONTRIBUTIONS FINANCIÈRES POUR L'EXPLOITATION DES ORGANISMES CULTURELS

Objet

Offrir une aide financière pour assurer l'administration et l'exploitation d'organismes travaillant à la préservation, à la promotion et au développement des arts et de la culture aux TNO.

Admissibilité

Ce programme est réservé aux OSBL qui sont dûment enregistrés conformément à la *Loi sur les sociétés* des TNO et dont le siège social et le bureau principal sont situés aux TNO. La priorité sera notamment accordée aux organismes qui :

(a) ont pour mandat de promouvoir les arts et la diversité culturelle aux TNO;

(b) possèdent un plan d'exploitation clairement défini;

(c) ont un historique montrant leur capacité à mener à bien des projets culturels et à partager les résultats de ces projets;

(d) profitent d'un appui fort de la part des groupes qu'ils représentent.

Montant

Le montant octroyé sera calculé en fonction des besoins avérés du demandeur, du nombre total de demandeurs, ainsi que du budget alloué par l'Assemblée législative.

CULTURAL PROJECTS CONTRIBUTIONS

Purpose

The program provides financial assistance for the promotion and preservation of cultural identity and the enhancement of traditional cultures in the NWT.

Eligibility

Eligibility is restricted to:

a) Organizations, individuals, community governments and band councils with demonstrated interest in the promotion and enhancement of Northwest Territories' cultures.

b) Cultural events and projects that are primarily located outside of the Northwest Territories will not be considered for funding. Preference will be given, but not limited, to those applicants who have a diversified funding base and who attempt to strengthen traditional culture within a contemporary context.

c) For oral traditions projects, applicants must have written verification of community support for their research objectives. In order to receive funding, each recipient must be willing to acquire or to demonstrate their knowledge of interview and research skills, as well as to become familiar with the procedures used to store recordings.

Amount

The amount of funding is based on the demonstrated need of the applicant and the number of applicants for funding as well as budget allocation as approved by the Legislative Assembly.

FINANCEMENT POUR LES PROGRAMMES DE LA PETITE ENFANCE

Objet

Favoriser la création, le développement et la prestation des programmes de la petite enfance (autorisés et sans but lucratif) dans toutes les collectivités des TNO; encourager la formation de personnel qualifié; absorber une partie des dépenses liées aux loyers et hypothèques; investir dans des programmes d'alphabétisation, de nutrition et de formation pour les jeunes enfants et les familles; aider à défrayer les coûts des places en garderie et des aires de récréation extérieures destinées aux jeunes enfants et ceux ayant des besoins spéciaux.

Financement et admissibilité

Ce programme est réservé aux installations et établissements destinés aux jeunes enfants des TNO. Les critères suivants doivent être respectés :

Fonds de démarrage
- OSBL et services de garde en milieu familial
- Permis d'exploitation de garderie délivré aux TNO
- Formulaire de demande
- Inspections par un employé du Commissariat aux incendies et un agent d'hygiène du milieu

Fonds d'exploitation
- OSBL et services de garde en milieu familial
- Permis d'exploitation de garderie délivré aux TNO
- Formulaire de demande annuel
- États financiers

Fonds pour loyers et hypothèques
- OSBL avec établissement central
- Permis valide d'exploitation de garderie délivré aux TNO
- Formulaire de demande annuel
- Copie de la convention de bail ou d'hypothèque
- États financiers annuels

Initiatives pour petites collectivités
- OSBL avec établissement central proposant des programmes dans les petites collectivités désignées des TNO (à l'exclusion d'Inuvik, de Norman Wells, de Yellowknife, de Behchoko, de Fort Smith, de Hay River et de Fort Simpson)
- Présentation d'une proposition de financement
- États financiers

Montant

Les fonds de démarrage et d'exploitation varieront selon la capacité d'accueil prévue par le permis et l'échelle mobile d'attribution des subventions.

Les fonds pour loyers et hypothèques ne dépasseront pas 25 % des coûts annuels du loyer ou de l'hypothèque.

Le financement des initiatives pour petites collectivités variera entre 8 000 $ et 15 000 $ par programme.

Procédure

Une fois la demande approuvée, le demandeur en sera avisé par écrit et recevra une entente de contribution qu'il devra accepter pour que le financement soit versé.

Si une demande est incomplète, le demandeur recevra une lettre lui indiquant les documents manquants.

Les fonds seront récupérés si l'une ou l'autre des conditions de l'entente n'est pas respectée.

PROGRAMME ENFANTS EN SANTÉ

Objet

Offrir du financement aux collectivités pour le développement des programmes et services de prévention et d'intervention auprès des jeunes enfants et des familles. Le financement offert doit :

(a) aider les enfants de 0 à 6 ans et leur famille (y compris pendant la grossesse);

(b) viser à améliorer les programmes et services actuels;

(c) s'inscrire dans une approche inter-organisationnelle;

(d) être axé sur les familles.

Montant

Le programme est assorti d'une enveloppe totale de 2,11 M$; ce montant est divisé entre toutes les régions des TNO, assurant à chaque collectivité un octroi minimal de 10 000 $.

Procédure

Chaque année, les OSBL doivent faire parvenir une proposition aux conseillers en petite enfance de leur région. Les comités régionaux responsables du programme Enfants en santé évaluent ensuite les propositions en s'appuyant sur les critères établis pour le financement.

Les propositions doivent viser :

(a) des besoins en matière d'intervention précoce;

(b) l'offre de soutien à des enfants risquant d'avoir ou ayant un retard de développement;

(c) la promotion de la santé et la prévention.

ENVIRONMENT AND NATURAL RESOURCES

BEVERAGE CONTAINER OPERATOR SUPPORT PROGRAM

Purpose

The Beverage Container Operator Support Program is offered through the Environment Fund to help ensure the long-term viability of licensed beverage container depots and processing centers in the Northwest Territories (NWT).

Eligibility

Financial support under this Program is available to all licensed beverage container depot and processing centre operators, except where the Chief Environmental Protection Officer (CEPO) has determined that a licensed depot or processing centre is not eligible for funding under the Program. In addition, the depot and processing centre operators must be operating according to the Terms and Conditions of their License.

This financial support is provided to offset costs directly associated with operating and maintaining licensed beverage container depots and processing centres.

Amount

The amount of the financial support available to each depot is based on the summation on a formula calculation up to a maximum amount.

HARVESTERS' FIRE DAMAGE ASSISTANCE

Purpose

This program provides assistance to renewable resource harvesters for damage or loss resulting from wildland fire. The Harvesters' Fire Damage Assistance Program is intended only to assist renewable resource harvesters with re-establishing their livelihood or way of life after losses due to wildland fire; it is not intended to reimburse or compensate renewable resource harvesters for all losses. Assistance will not be made available for losses due to carelessness or poor judgment. Assistance will not be provided for labour costs for the applicant.

Eligibility

Residents of the NWT who harvest under a land claims or self-government agreement, a treaty or other Aboriginal right, or hold a General Hunting License under the NWT Wildlife Act and who generate at least 25% of their gross income from harvesting.

Amount

For damage or loss resulting from wildland fire, assistance to harvesters shall be as follows:

(a) A harvester may receive assistance to a maximum of $15,000 to establish a fur harvesting area similar in size to the fur harvesting area that was lost to the fire.

(b) A harvester may receive assistance to a maximum of $10,000 to replace a cabin that has been lost to a wildland fire and is a part of the harvesting area.

(c) A harvester may receive assistance to a maximum of $15,000 for other items consistent with the Guidelines for Eligible Items. Please contact ENR to receive the Guidelines for Eligible Items.

MACKENZIE RIVER BASIN BOARD

Purpose

The Mackenzie River Basin Board (MRBB) was created in 1997 by the Transboundary Waters Master Agreement between the Governments of Canada, Saskatchewan, Alberta, British Columbia, Yukon and NWT.

The MRBB envisions a healthy and diverse Mackenzie River Basin aquatic ecosystem for the benefit of present and future generations. The Transboundary Waters Master Agreement commits the parties to the following principles in carrying out their responsibilities in the Mackenzie River Basin:

- Manage the water resources in a manner consistent with the maintenance of the ecological integrity of the aquatic ecosystem.
- Manage the use of the water resources in a sustainable manner for present and future generations.
- Allow each Party to the Agreement to use or manage the use of water resources within its jurisdiction provided such use does not unreasonably harm the ecological integrity of the aquatic ecosystem in any other jurisdiction.
- Provide for early and effective consultation, notification and sharing of information on developments and activities that might affect the ecological integrity of the aquatic ecosystem in another jurisdiction.
- Resolve issues in a cooperative and harmonious manner.

Eligibility

Direct contribution to the MRBB.

NWT WATER STRATEGY AND ACTION PLAN PROGRAM

Purpose

NWT Water Stewardship: A Plan for Action 2011-2015 describes action items that put into motion the vision of *Northern Voices, Northern Waters: NWT Water Stewardship Strategy* developed by water partners in the Northwest Territories (NWT). The Plan for Action lays out a partnership approach to improve and enhance water stewardship at all levels. The Action Plan is a living document and is subject to ongoing reviews and evaluations to ensure its implementation continues to advance the intent of the Water Strategy. Subsequent Plans for Action will outline activities beyond 2015.

To implement the Water Strategy ENR collaborates with water partners and provides financial support on case by case basis under the following programs:

- Aquatic Community-Based Monitoring;
- Source Water Protection Planning;
- Development and Monitoring of Aquatic Ecosystem Indicators; and
- Development of Implementation of Transboundary Water Management Agreements.

GENUINE MACKENZIE VALLEY FUR PROGRAM

Purpose

To provide Northwest Territories hunters and trappers with access to financial resources necessary to participate in the fur industry. There are three contribution components to the Genuine Mackenzie Valley Fur (GMVF) Program.

The GMVF Program is administered jointly by the Departments of Industry, Tourism and Investment; and Environment and Natural Resources.

The following procurement components of the GMVF Program provide producers with market stability and product for the craftspeople. These components are administered by the Department of Industry, Tourism and Investment:

(a) Moose Hide and Caribou Procurement Program
(b) Sealskin Procurement Program
(c) Beaver Pelt Procurement Program

Eligibility

Individual holders of a valid Northwest Territories General Hunting or Trapping Licence and who are resident in the Northwest Territories are eligible.

Amount

Moose Hide and Caribou Procurement

Provides producers of smoked moose hides with guaranteed prices for finished hides.

Sealskin Procurement

Aims to provide price stability and support to northern seal harvesters and provide craftspeople with access to northern tanned sealskin. Harvesters in the NWT receive $55 for each skin.

Beaver Pelt Procurement

A similar program, whereby mid-to lower grades of beaver pelts will be shipped directly to fur dressers for tanning.

Policy Authority

The Support for Entrepreneurs and Economic Development Policy offers support in five areas. The purpose and eligibility for each type of support is shown below.

Entrepreneur Support Program

Start-up Funding

Assistance for planning, engineering, working capital, or other development costs available to all NWT businesses up to a maximum of $15,000.

Asset Acquisition

Capital assistance may be provided to assist with the purchase of capital items for operations of the business, as a means to provide the equity needed to obtain loan financing, or where assistance is not otherwise available to take advantage of a business opportunity. Available to NWT businesses in level 2 communities up to a maximum of $15,000.

Market Development and Product Promotion

Assistance may be provided for new market or product development designed to increase sales of NWT products, to promote the NWT as a travel destination, or to participate in trade shows (excluding attendance at conferences). Assistance may also be provided for the marketing of existing tourism, arts and fine crafts, and high renewable resource products through trade show participation, print advertising, internet marketing or similar activities. Available to all NWT businesses able to show need and financial sustainability up to a maximum of $15,000.

Operational Support

Assistance may be provided to increase business skills and capacity, or to:

a) identify and address problems faced by the business;
b) develop a recovery or restructuring plan;
c) provide emergency relief for business recovery; or
d) assist with the cost of "winding down" a business that is no longer viable where this assistance would help protect other businesses and employment opportunities

Available to all NWT businesses able to show need and financial sustainability up to a maximum of $15,000.

Support for Film Industry

- Up to a maximum of $5,000/year to assist applicants in *film development*;
- Up to a maximum of $15,000/year to assist applicants in *marketing and promotion*; and
- Up to a maximum of $15,000/year to assist applicants in *film sponsorship*.

Sector Support Program

Capital Expansion Incentive

Assistance with interest on a loan — from any GNWT agency or commercial lender — taken out for new capital purchases needed to expand a business in a sector that the Minister has designated as a strategic sector. Sectors currently designated by the Minister are energy, e-commerce, tourism and value-added manufacturing. Assistance must be approved in principle prior to approval and is up to a maximum of $15,000.

Sector Research Support

Support for research that benefits a group of businesses in a sector, that will provide information critical to development of the sector, or that will help in attracting investment. For example, product development and packaging or sector-specific marketing that benefits an industry would both qualify. Available to NWT business associations, bands or municipalities up to a maximum of $25,000.

Community Economic Development Program

Support for Community Economic Development
Support is available for economic initiatives such as:

a) investigation of economic opportunities that build on a community's resources or other competitive advantages;
b) developing physical infrastructure where its absence is a constraint to community business development;
c) improving access to business information;
d) developing community-based or industry strategic plans; and
e) community events that promote economic development, including festivals that highlight NWT products or talent.

Available to all NWT associations, band councils or community councils up to a maximum of $25,000.

Micro Business Program

Support for Micro Business
Support for self-employment activities. This includes help with the purchase of tools, equipment or raw materials related to self-employment in the arts and fine crafts, traditional economy, or filmmaking sectors. Available to all NWT residents who are self-employed, including those engaged in traditional harvesting or arts and fine crafts production for commercial purposes up to a maximum of $5,000 over five years.

Business Intelligence and Networking Program

Business Intelligence and Networking
Provides assistance to individuals not eligible under the Market and Product Development category.

Assists with the cost of attending seminars and trade shows to gain information about new technologies or business opportunities. The funding covers some specific types of trip costs.

Available to all residents or NWT businesses where trip costs exceed $1,500. Maximum of two people per organization and up to $3,000 per individual trip per year.

YOUTH MENTORSHIP FOR TOURISM PROGRAM

Purpose

The Youth Mentorship for Tourism Program aims to provide students and/or young people interested in working in any areas of the tourism industry, the opportunity to work with experienced industry professionals (Mentors) who are willing to share their expertise and knowledge.

The Program matches NWT students and/or young professionals with an appropriate experienced professional in a specific area (based on the mentees interest), and where possible, lead to employment at the mentors place of business.

Eligibility

To be eligible for the Program a person needs to meet the following criteria:

- Must be a resident of the Northwest Territories.
- Must be less than 18 years old but no younger than 14.
- If more than 18 years old, must be able to show proof of employment in Tourism to qualify as young professional.
- If older than 18, and not young professional, must provide a motivation letter for admission into the mentorship program. The motivation letter should address why the applicant wants to be mentored, how the mentorship will help them and what they plan to do after the mentorship.

Amount

There are two streams of funding under the Program:

Stream 1 - Industry Awareness:

- If approved, ITI will provide an honorarium to the Mentor up to a maximum of $2,500 per year.

Stream 2 - Path-to-employment:

- Mentors will be paid the cost incurred in taking on the mentee up to a maximum of $6,000 per year through a contribution agreement, under this stream.

Upon completion of the Mentorship, all Mentees under the Program will receive a contribution of $1,250.

JUSTICE

COMMUNITY JUSTICE INITIATIVES

Purpose

To promote and encourage the participation of communities in the justice system, as well as in the development and implementation of community-based alternatives to the formal justice system. Proposals must include a goal to develop or implement culturally relevant community justice initiatives involving both victims of crime and offenders.

Eligibility

Funding is primarily available to community-based agencies supporting Community Justice Committees. Funding may also be available to other non-profit organizations and community and regional organizations whose efforts directly benefit the people of the Northwest Territories to address local justice issues.

Amount

Program funding levels are based on a per capita model. In some exceptional circumstances (and if the funds are available), the Department may provide additional funds above and beyond the initial allocation. A project proposal will be required for each additional request.

COMMUNITY GOVERNMENT FUNDING

Purpose

To support community governments with the provision of community government services and the infrastructure that supports those services.

Eligibility

Eligibility provisions of the Community Government Funding Policy are articulated further in three supporting policies:

Community Public Infrastructure Funding: community governments as defined in the Government of the Northwest Territories' Community Government Funding Policy are eligible for funding under the Community Public Infrastructure Policy. The funding provided under this Policy is intended to assist with the provision of community public infrastructure that is required to support community government programs and services.

Operations and Maintenance Funding: community governments as defined in the Government of the Northwest Territories' Community Government Funding Policy are eligible for funding under the Operations and Maintenance Funding Policy. The funding provided under this Policy is intended to assist with the operations and maintenance of community government programs and services.

Water and Sewer Services Funding: community governments as defined in the Government of the Northwest Territories' Community Government Funding Policy, that have enacted a by-law or resolution that calculates and sets out the economic rate for the community government and the rates to be charged to any category of user within the community, are eligible for funding under the Water and Sewer Services Funding Policy. The funding under this Policy is intended to assist with the provision of water and sewer services, which excludes the capital replacement costs associated with water and sewage treatment facilities.

Amount

Community Public Infrastructure Funding: The funding allocated to eligible community governments under this Policy is calculated using a base-plus approach.

Operations and Maintenance Funding: The funding allocated to eligible community governments under this Policy is calculated using two formulas: one for recognized First Nations Councils and another for all other eligible community governments.

Water and Sewer Services Funding: The funding allocated to eligible community governments under this Policy is calculated using a Standard Cost Allocation Model.
